SUPPORTING AMERICAN DIPLOMACY

## Donor Profile Form

Your gift to the Diplomacy Center Foundation supports the building of the United States Diplomacy Center, a new museum and educational center devoted to the story of American diplomacy.

You are among an exceptional class of donors whose generosity will be recognized inside the Center in two ways. First, their names will appear in lists on permanent wall plaques, placed in high-traffic locations. And second, their biographical profiles will be available to all Center visitors via interactive touch-screens near the plaques. These profiles will highlight the careers of the ambassadors, diplomats, and professionals of U.S. foreign affairs agencies, who have donated to the Diplomacy Center Foundation.

Please fill out this form to provide us with biographical details so that we can include your profile in telling the story of American diplomacy. We will share the finished text with you for final approval. Thank you!

*Please supply a color photograph to accompany your profile.*
